WHO WE ARE

**We Are IT Solutions Providers with
over 25 years of experience in the IT industry**

Valueline Systems and Solutions Corporation is a premier IT solutions provider, delivering high-quality, reliable, and innovative technology services. Our commitment ensures long-term value, security, and efficiency in a dynamic digital landscape.

Founded in 2000 as an IBM Business Partner, we embraced emerging technologies and pioneered Amazon Cloud use. Now an AWS Cloud Solutions & Services Partner, we deliver world-class cloud, IT infrastructure, and cybersecurity solutions.

MISSION

To give glory to God and provide customer, stockholders, employees and society with good return in all areas of life through quality products and excellent services.

VISION

To be the most sought-after innovative solutions provider, globally.

CORE VALUES

- Love for God
- Innovation
- Integrity
- Teamwork
- Fun
- Commitment
- Social Responsibility
- Customer-Driven Experience

RECOGNITIONS AND AWARDS

#LetsBuildYourDigitalFutureTogether

"He has filled them with skill to do all kinds of work as engravers, designers, embroiderers in blue, purple and scarlet yarn and fine linen, and weavers—all of them skilled workers and designers."

Exodus 35:35
