## WHO WE ARE

**We Are IT Solutions Provider with over 25 years of experience in the IT industry**

Valueline Systems and Solutions Corporation is a premier IT solutions provider, delivering high-quality, reliable, and innovative technology services. Our commitment ensures long-term value, security, and efficiency in a dynamic digital landscape.

Founded in 2000 as an IBM Business Partner, we embraced emerging technologies and pioneered Amazon Cloud use. Now an AWS Cloud Solutions & Services Partner, we deliver world-class cloud, IT infrastructure, and cybersecurity solutions.

## MISSION

To give glory to God and provide customer, stockholders, employees and society with good return in all areas of life through quality products and excellent services.

## VISION

To be the most sought-after innovative solutions provider, globally.

## CORE VALUES

- Love for God
- Innovation
- Integrity
- Teamwork
- Fun
- Commitment
- Social Responsibility
- Customer-Driven Experience

## RECOGNITIONS AND AWARDS

## Valueline: More Than Just an IT Provider

At Valueline, we are not just another IT service provider. We are your trusted partner in innovation and growth. With a deep commitment to empowering businesses, we go beyond quick fixes to deliver cutting-edge solutions that drive long-term impact. Our expertise ensures scalable, secure, and future-ready technology, helping organizations thrive in an ever-evolving digital landscape.

### Key Differentiators:

- ✓ Innovation built on a legacy of excellence
- ✓ Unmatched AWS expertise
- ✓ Tailored IT Solutions for your unique needs
- ✓ Security you can trust - ahead of every threat
- ✓ End to end IT management that drive success
